#1 - Live Graphic Recording

WHAT

In a Live Graphic Recording session we will translate your ideas into visuals, in real time. The final product?: a visual summary of your meeting, easy to share.

WHY

This is the most effective way to find clarity. It is an engagement booster and makes your event even more memorable.

HOW

Op.1 Digital: Drawing on iPad, sharing screen during the event at your convenience. This can happen onsite or online.

Op. 2 Pen & Paper: Drawing in physical boards, as visible in the room as you need them to be.

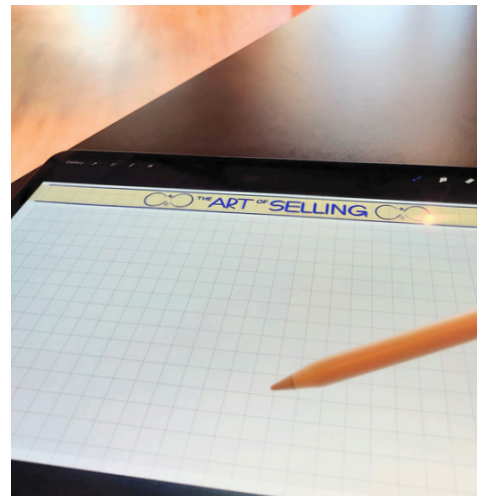

What is included

- Pre-session meeting: to define your session's goals, desired outcomes, agenda and key messages.
- Define colour palette and logos to be included.
- Creation of your personalised canvas inclusive of your branding and speakers portraits if needed.
- Live scribing on the day, projected onto the screen at your convenience.
- One round of edits post-event.
- High-resolution digital image, both for Digital and Pen & Paper.
- Final design time-lapse video, where you can see your design growing in real time.
- Separate tiles of key images to be used in your communication channels, upon request.

Half Day Starts at £800, to be confirmed based on brief

Full Day Starts at £1600, to be confirmed based on brief

#2 - Rich Picture

WHAT

A Rich Picture design is a brief based design piece that reflects visually your mission, business transformation or roadmap to success.

This can be one design or a complete package.

WHY

With a Rich Picture you and your team have the time to create a more comprehensive piece. It is a great asset for presentations, strategy meetings and sharing your vision.

HOW

A very collaborative process, where we will help you define the briefing and co-design together the final piece.

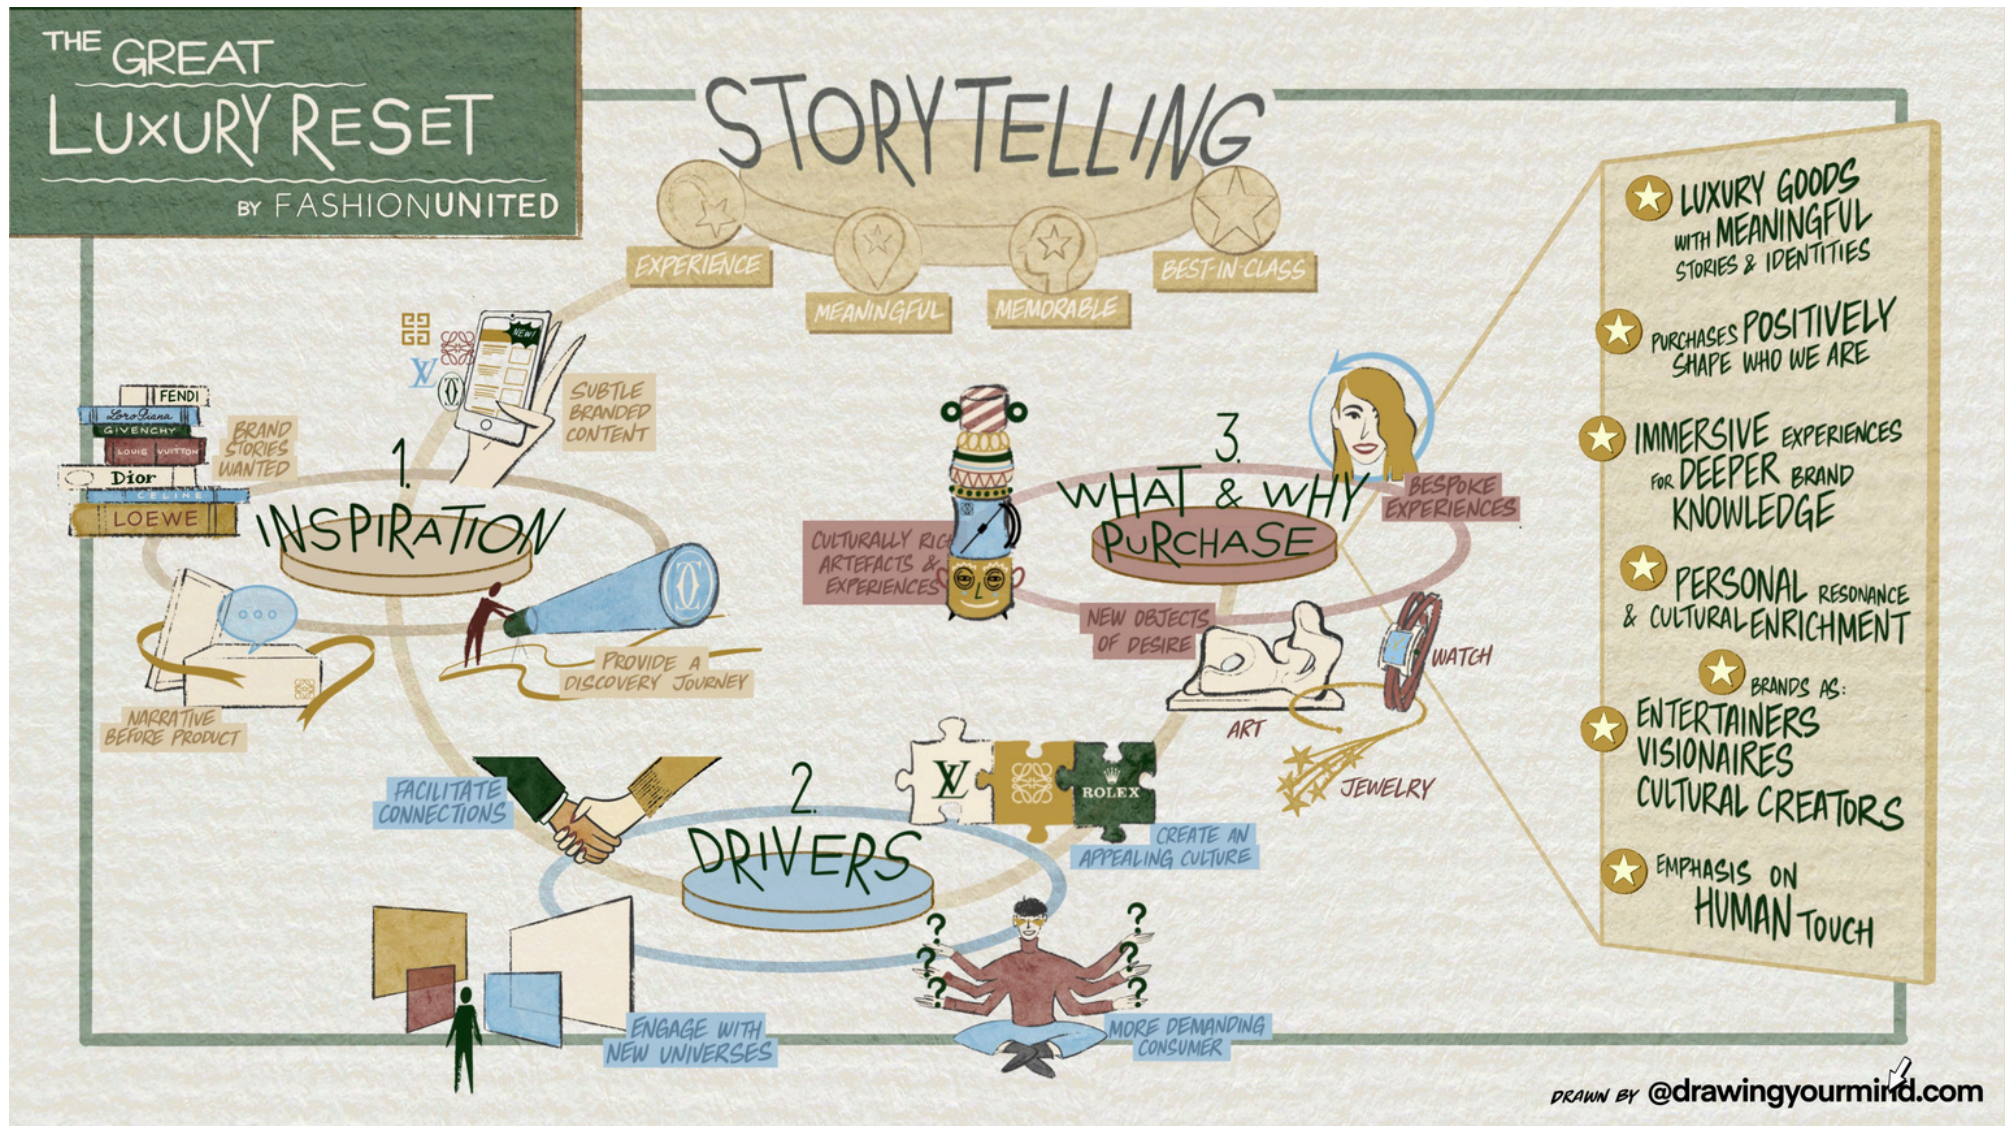

If you have a very clear idea of what you need, even better: we will accurately transfer it to visuals!

What is included

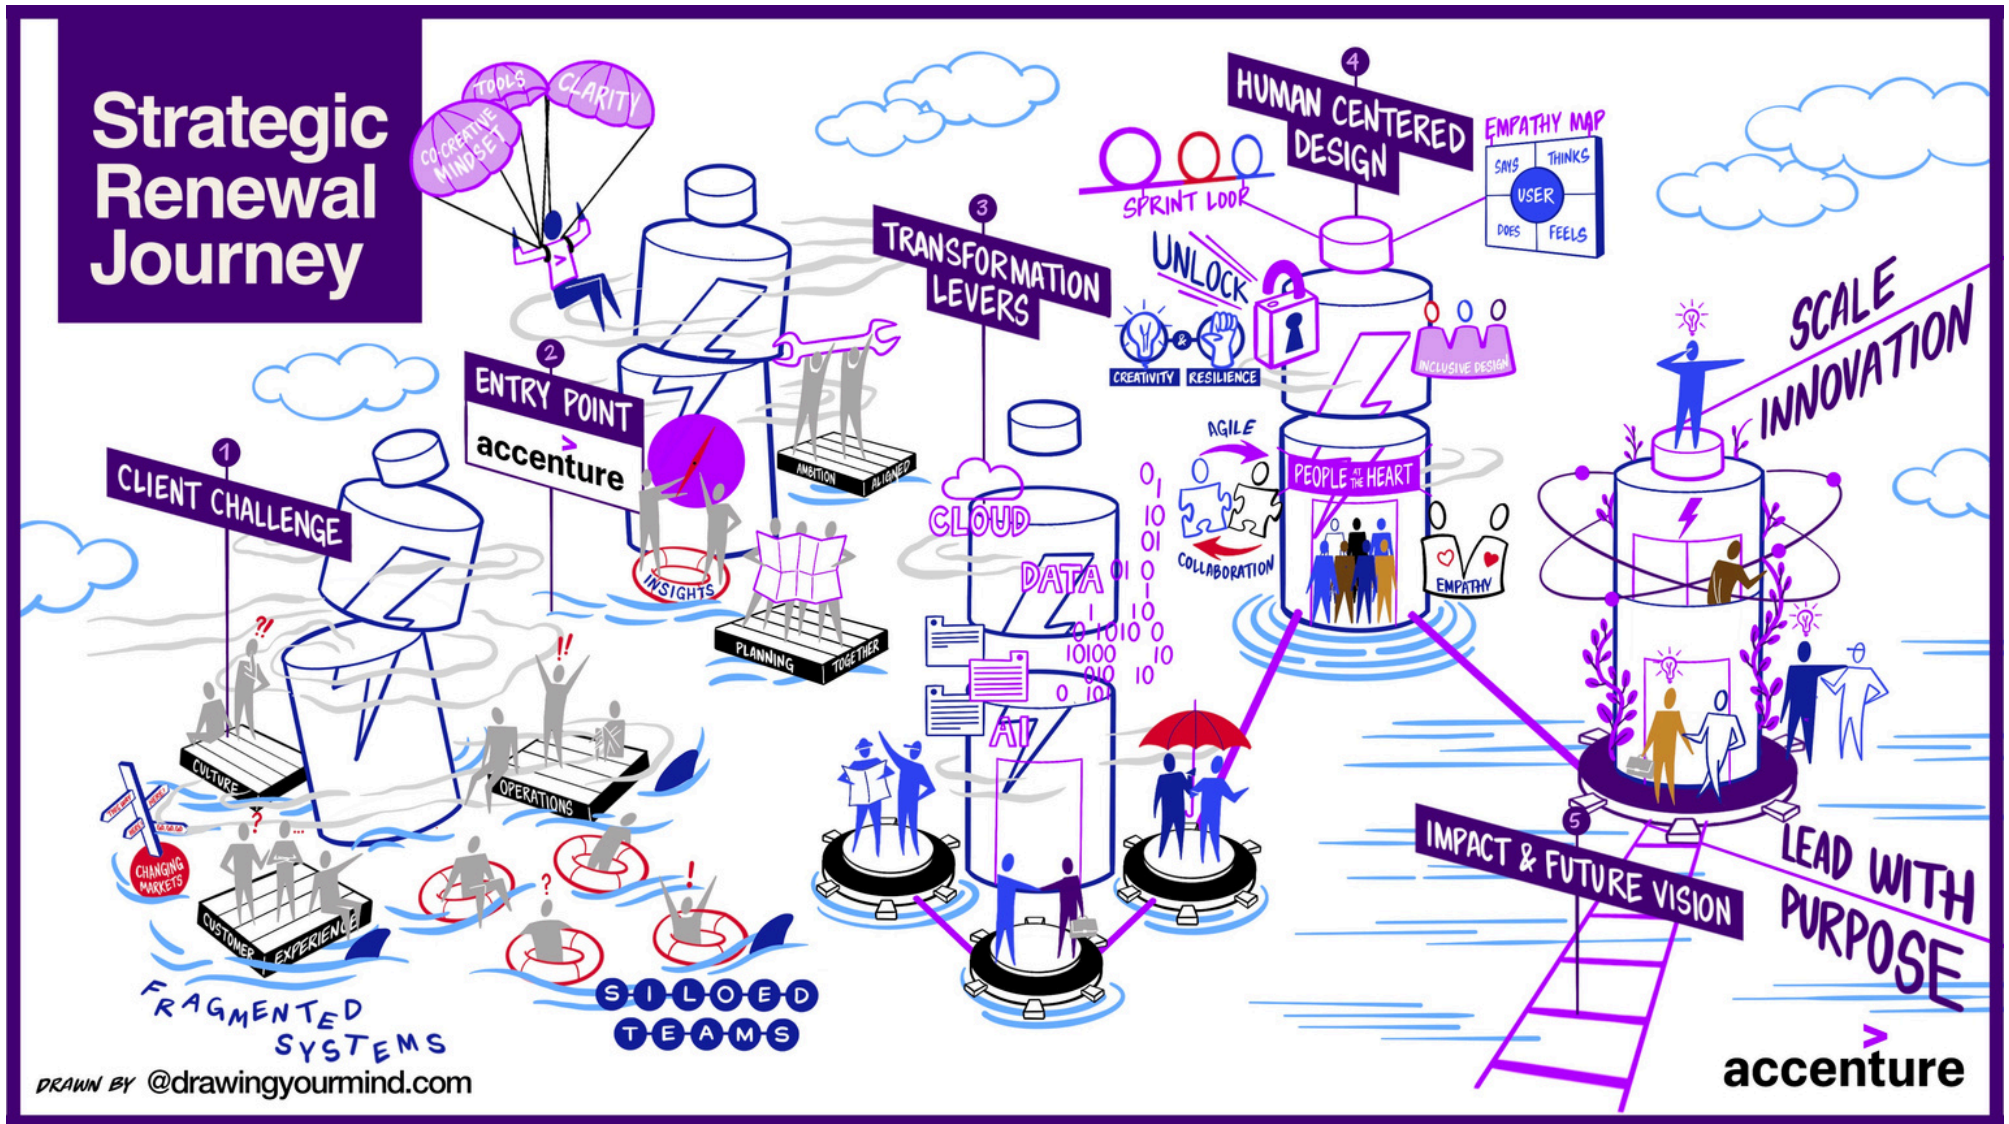

- Meeting to define both brief and package: we will assess together the best formats for your project based on desired goals, use and expected impact for your organisation.
- Define colour palette and logos to be included.
- Meeting with your team to create a first draft. This can be onsite or online.
- Fine tuning and delivery of first draft in black & white.
- Edits - Three rounds included with some colour.
- Draft confirmation.
- Fully colouring the design.
- Final package delivery.
- Print-ready high definition document.

2 Full Days Starts at £2000, to be confirmed based on brief
